A top-down view of numerous small white rectangular trays arranged in a grid-like pattern. Each tray is filled with a different type of corn-based snack. The snacks include: golden-brown potato chips, thick-cut french fries, small round corn chips, corn puffs, corn curls, corn nuggets, corn sticks, corn rings, corn chips with different textures (some ridged, some smooth), and corn-based pretzels. The colors are primarily warm tones of yellow, orange, and brown, suggesting they are fried or baked. The text 'BOCADILLO DE MAIZ / CORN SNACKS' is overlaid in a white, outlined font across the center of the image.
